178 German Street Norman Gardens  
Rockhampton, Queensland 4701  
Australia

Phone: 0431 658 016

As Rockhampton's premier electrical contractor, Swann's Solar and Electrical (SSE) provides, not only a reliable service where your family's safety is paramount, but solutions to help you save money on your energy bills. Throughout Central Queensland we excel at the design, installation and maintenance of PV Solar Systems, Solar Hot Water Systems and Off-The-Grid Solar solutions. Make yourself a cup of tea and take a few minutes to explore our website, or give me a call and we can talk about your next project.

Inverter Brands: Aurora, Growatt, SMA  
Solar Panel Brands: Trina Solar
