

Essential Energy Solutions Pty Ltd

17/237 Brisbane Road, Biggera Waters
Brisbane, Queensland 4216
Australia

Phone: 1300 639 363

Operating since 2007, Essential Energy Solutions has helped over 3000 homes and small businesses around the Gold Coast & Brisbane areas, reduce their electricity bills & carbon emissions by installing PV Solar & LED lighting. All Essential Energy Solutions solar and general electrical work is completed by our own teams, we do not sub contract any work, which means high quality workmanship & good communication.

Our electricians have electrical & solar licenses as a minimum and all hybrid & off-grid installations are completed by electricians with the relevant qualifications. We confidentially offer a 10 year workmanship warranty on all of our work.
