Todae Solar is Australia's #1 Commercial Solar Installer. With more than 14 years' experience and over 50MW's installed, Todae Solar has Australia's most impressive portfolio of corporate clients backed by the quality of a multi-award winning

team. Why Choose Todae Solar:

- Todae Solar is assisting hundreds of organisations save over \$1 million collectively each year with our client portfolio of over 50MW's of commercial solar across the country.
- We have assisted some of Australia's leading organisations: Parliament House, Telstra, ING, Stockland, Accor, Bridgestone, BUPA, NRMA, Ramsay Healthcare, UNSW, Australian Vintage, Brisbane Markets, Red Rooster and more (see our portfolio).
- Founded in 2003, we have built a reputation as Australia's leading commercial solar installer with experience in a vast range of industries from agriculture to hospitality.
- Todae Solar was ranked as the #1 commercial solar installer in 2015, 2016 and 2017 (30kW+) as verified by SunWiz.

Inverter Brands: Enphase, Fronius
