

Living Energy Solutions

U 14/ 22 Ware Street Thebarton
Adelaide, South Australia 5031
Australia

Phone: 1300 854 456

Since Living Energy was established in 2010, we have installed hundreds of residential and commercial solar installations throughout South Australia. We are the commercial delivery partner for Enerven, and are proud to be referred as one of Adelaide's premium solar providers. We specialize in the design and installation of solar energy systems that help future-proof our clients' businesses and homes in a rapidly changing energy market. We are experienced in hybrid and off-grid battery storage. We also develop energy efficiency solutions in which we use a combination of technologies including LED lighting, intelligent energy management software and even powerful off-grid technology that supports regional and agricultural businesses.
