At Solar Connected, we are not just a virtual office outsourcing all installs to third party installers. We're engineers, finance specialists, solar consultants, in-house installers, project managers and customer relation experts to create a customised holistic solar solution. Our reach has now grown from a South Australia based company to a national platform with the ability to install and commission anywhere in Australia.

Inverter Brands: ABB, Fronius, SMA, SolaX
Solar Panel Brands: ET Solar, Jinko Solar, Trina Solar
