

# NME Solar Solutions

---

2 Stafford Grove Heathpool  
Adelaide, South Australia 5068  
Australia

Phone: 0433 349 433

NME Solar has installed over 1,500 solar panel systems for both commercial and residential premises. Of course NME Solar has the technologies product knowledge and specialists for any solar job. However, we also strive to be a solar solutions leader with innovative technologies and products. With all staff being trained in solar systems installation we pride ourselves on the highest quality work.

Battery Brands: Tesla Powerwall
