SolarLink was created following 20 years in the commercial & residential electrical contracting industry based in Melbourne. We made the decision to diversify into grid connected solar power systems as an add-on to our existing electrical business and it has since become our primary direction. Our areas of service include but are not limited to: Melbourne, Canberra, Brisbane and Sydney. Plus we also service the Sapphire Coast, South Coast, Bega Valley Shire, Eden Pambula, Merimbula, Tura Beach, Tathra, Kalaru, Bermagui & Bega. We pride ourselves on delivering the highest quality installations at competitive prices while maintaining customer service and satisfaction as a priority.

Inverter Brands: Enphase, Fronius, SolarEdge
Solar Panel Brands: LG
