

Solahart

13 Princess Street
Bundaberg, Queensland 4670
Australia

Phone: 1300 362 821

Solahart, is a leading Australian manufacturer since 1901. In 1953 the company developed a method to harness the sun's natural energy as a way to heat water, thus Solahart was born and the company began manufacturing solar water heaters to suit the Australian climate. As part of Solahart's network of Dealers, Solahart Bundaberg has built a business on offering solar solutions to a wide range of clients ranging from residential, small to large builders, Councils and commercial applications. Solahart Bundaberg and their experienced team are dedicated to delivering the very best in complete solar power solutions for their clients. Our experienced team is second to none and we, as a company, have installed in excess of 3000 solar hot water systems and 2000 solar power systems; ranging from residential housing and Council retirement villages to commercial resorts.
